Subject: Board field trip

Glenn - Thanks to you and Barrick for the invitation for the Board to view the reclamation at Barrick Mercur mine. We all understand that Barrick is entertaining a bond release request to the Board in December. It is the decision of the Board Chair that the Division act on behalf of the Board in the field and make recommendations to the Board at the appropriate time. Please call to schedule with the Minerals staff so we can prepare such for the Board. Thanks - Mary Ann
